Wood Protector

PRODUCT INFORMATION

Spray- impregnation for wooden surfaces

Properties:

* for manual use
* effective spray impregnation
* protects wooden surfaces from weathering
* for all sealed and unsealed waterresistant surfaces
* clear liquid
* UV- resistant

Fields of application:

* wooden facades
* garden furniture
* other wooden surfaces
* fences
* patio

Processing:

Apply on the clean surface undiluted with a spray bottle and let dry.

If required apply a second time.

We recommend to refresh the impregnation every year.

Economy:

1 l is sufficient for the coating of approx. 10 m² wooden surface

Handling:

Apply manual a thin layer pure and equal on the cleaned surface.
